Mfg #	Finish	EZ #
DC6816BC DU	Duronodic	087495
DC6816BC AL	Clear	087494

- Sizes and hole patterns match the most popular products on the market.
- Baron closers are “tri-packed”, with everything needed for regular, top jamb and parallel arm mounting.
- Heavy Duty Cast Iron Body for years of carefree use.
- Adjustable power from Size 1-6
- Latch & Speed Adjustments for proper closing timing
- Adjustable back check
- Forged steel arms: Forging creates steel parts with more tensile strength, to resist breakage.
- Anti-freeze hydraulic oil for cold climates
- Packed with self-tapping screws, wood screws and sex nuts and bolts for wood, metal, or aluminum door installations.
- U.L. Listed for U.S. and Canada: UL 10C fire rated. Tested to meet ANSI Grade 1 specifications.
- For Cush & Hold Open Cush arms please see page 152.
